

Wall Anchor - Stainless Steel

The Wall Anchor – Stainless Steel is a secure, space-saving design for one bicycle providing a permanent bike locking point at your home or work place.

Its sturdy design is made from stainless steel and can be bolted to brick or concrete walls in any indoor or outdoor setting saving valuable floor space.

For extra security, you will need a high-quality D-lock, cable lock or chain lock (ideally Sold Secure Approved) to secure your bike.
