

# Folding Bike Rack

The Folding Bike Rack is a simple and effective space saving solution to store bicycles.

This bike rack can hold up to three bikes and neatly folds away when not in use. It is ideal for indoor use, for home or businesses.

Rubber coating on the arms protects bike frames from scratches and helps grip them into place.

## Advantages

- Wall mounted storage rack
- Saves valuable ground space
- This indoor solution is suitable for areas with limited space.
- Two bicycles can be securely locked to the upper rack
- A third bicycle can be secured to the wall anchor below
- Folds away flat when not in use.

## Technical Specification

- Mild steel construction
- Rubber coated 'arms'

## Dimensions

- Height 300mm
- Width 500mm
- Depth 550mm
