

# Folding Bike Locker

Folding bikes are very popular with cyclists as it allows them to be transported easily to work and can be carried onto most public transport services. They also have the added benefit of being able to be folded and parked securely in one of our specially designed shelving units.

## Technical specification

- Each locker is 3 compartments high.
- Perforated doors so that empty compartments can be easily identified.
- Can be bolted together to form a run of lockers for stability
- Mild Steel, polyester powder coated choice of RAL colours

## Compartment size

- Height 633mm
- Width 320mm
- Depth 625mm

## Locker size

- Height 2100mm
- Width 400mm
- Depth 650mm
